

About the Author

Doug Seymour spent 25 years in the Canadian Navy with the later part of his career involved in computer activities. After leaving the Navy he spent a further 20 years in various IT positions both in government and in civilian industry. During this time he had a number of occasions to write user manuals and software training

documents. On his retirement he saw a need to put out a comprehensive tutorial on ProTrak and the ProTrak Basics Manual is the result.

Doug Lives in Edmonton, Alberta with his wife Shirley and his dog, Maxie.
